AFC personnel aid in storm damage cleanup

LITTLE ROCK – Arkansas Forestry Commission crews from Lonoke, Perry, Pulaski and Van Buren Counties are working with emergency service personnel to remove fallen trees and debris from roadways in the wake of today's severe weather outbreak.

AFC personnel from Conway County provided assistance near Birdtown and Highway 9 in northern Conway County, but returned to their work center around 11:30 a.m. Crews from Van Buren County returned to their work centers at 2:30 p.m.

Personnel from Pulaski and Perry Counties are providing assistance near Hensley. Grant County crews are working to clear debris south of Sheridan. A chainsaw crew from Stuttgart has been dispatched to provide assistance in Carlisle.
